## Letter from SRC Board of Directors

It appears that spring racing season is upon us, as many club members are diligently training for spring races and are eagerly awaiting crossing the finish line of a number of local, regional and national races! Keep up the hard work runners!

Our weekly Tuesday night club run is growing in size as the weather warms and we dodge the spring rain drops. It's always fun to see new and old faces as the temps rise!

The Board of Directors is excited to share that we'll be awarding three SRC Youth Scholarships in June. Please share with graduating seniors from Keene High School, Monadnock Regional High School, and Hinsdale High School.

DRUMMER HILL TRAIL RACE is set for June 13th and the race will soon be SOLD OUT!!! We've had so much fun the past few years with this race and can't wait to do it all again! We're looking for volunteers now, though. If you're around and available at any time during the day on June 13th, please email [scoresrunningclub@gmail.com](mailto:scoresrunningclub@gmail.com) and we'll set you up as a course marshal or at a fuel station.

Hope to see you on the next run!

Please share with students of Hinsdale High School, Keene High School and Monadnock Regional High School. We will be offering one \$1000 scholarship to each school.

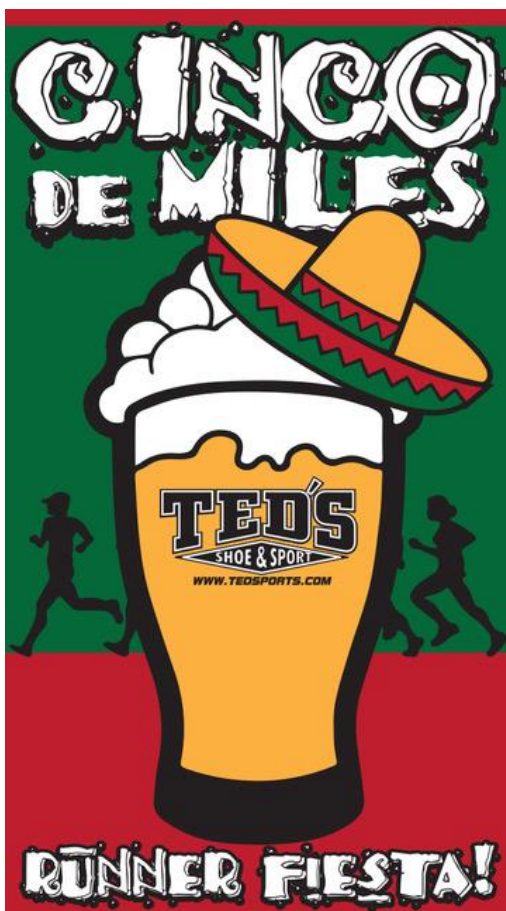

Students can also ask their guidance counselors for a copy of the application as well. Or email us directly at

Team Red, White & Blue is the antidote to the challenges they face. We exist to provide Veterans with the belonging necessary to find lasting fulfillment through the creation of deep bonds with other Veterans and civilian supporters.

It is through pushing ourselves, alongside others, that we build the bridge connecting Veterans to their communities as they take control of their health—both physical and mental.

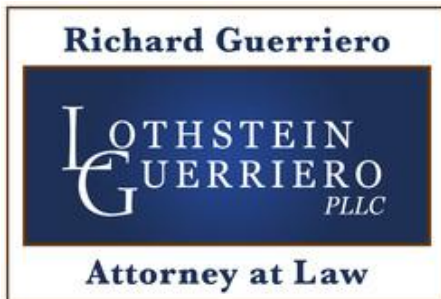

Team RWB stands ready to support all Veterans in over 200 communities around the Nation.

Team RWB is free to join and is open to all Veterans, active duty/reserve, and civilians.
